Treasurer's Report

Earmarked Funds:

Up until 2016, everything went to the playground project. We have some funds left over and we need to find out exactly what we can, is we can use any of the donated money for projects and mini grants.

Currently we have \$188 in our account.

20K was allotted for the playground.

Amazon Smile and company match - \$1678.

All grants are earmarked (Shepard Fund 35K).

20900K is what we have in grants. Of that, 5K goes to Stony Brook. We are looking into the legality of using the remaining funds for other projects.

Grants and Earmarks

Letters of thanks and support to individual donors.

Letters of thanks and support to Earmarked Donations and Grants.

We have 1678K in the grants and earmarks that we are able to use for other needs of the PTO like mini grants and funding other projects.
